

BUSINESS BREAKFAST

FHC Hosts a conversation on health and work

SPONSORSHIP PACKAGE

ABOUT THE EVENT

On April 28th, the International Day for Health and Safety at Work, FHC will host a conversation on health and work. As we celebrate 50 years of commitment to community well-being, this milestone honors our past while launching us into an exciting future. We invite you—our valued donors and community members—to be part of this journey!

Join us at the brand-new Thorncliffe Park Community Hub for a morning of networking, community building, and inspiring conversations. Enjoy keynote speakers, explore local vendor booths, and learn more about FHC's vital programs and services.

ABOUT FHC

Flemington Health Centre is a non-profit registered charity that has been providing health and wellness programs and services in Toronto since 1975. For over five decades, FHC has been a trusted partner in building a healthier, more equitable community in Flemington Park, Thorncliffe Park, Fairview and beyond.

PRIMARY HEALTH CARE

including access and attachment to physicians and nurse practitioners

HEALTH PROMOTION

including health education programs, healthy lifestyle activities, housing and employment support

INDIVIDUAL AND FAMILY COUNSELING

including one-on-one services and group programs with our social workers and mental health workers

CHRONIC DISEASE PREVENTION

including a focus on diabetes, lung health and heart health with access to dietitians, nurses and chiropodists

CLIENT TESTIMONIALS

"It's not just about the art; it's about the connections we make and the peace we find in the process"

Fun fact!

For the same cost as one visit to the emergency room, FHC can care for someone for an entire year!

"The program understood our needs and provided us with the time of our lives during the classes. We became children and artists - happy, jumping from joy and excitement and forgetting about the pain in our bodies."

OUR SPONSORS

WITH YOUR SUPPORT, WE WILL
